

St Helena

Think of a place far from the madding crowd, think of a place where heritage and nature are in harmony, think of a place with warm and friendly people .. think no more ... come and see for yourself.

A tropical Island of unspoilt peace and beauty

Latitude 16° S
Longitude 5°45' W

Welcome to the homepage of Saint Helena in the South Atlantic Ocean. More than since 250.000 visitors to this webpage since its official start in May 1997 making it into one of the most popular one when seeking information on St Helena This site is situated in Sweden and hence the extension .se. Everything concerned with this site is non-profit.

The island of Saint Helena is no longer a hidden secret, you can find many pages on the Web dealing with South Atlantic Islands but only this site has a [mailing list](#) , especially for those who have a deeper interest in Saint Helena, Tristan da Cunha and Ascension Island.

[Views of St Helena](#)

Many pictures from all over the island

The island offers a unique Napoleonic museum as well as interesting [endemics](#) - both flora and fauna. Unique is also the tortoise "Jonathan" (age 200?) and Jacob's Ladder (699 steps into the blue). The only way to visit the island is by ship. The [RMS St Helena](#) (Andrew Weir Shipping - <http://web.archive.org/web/20030320230048/http://www.aws.co.uk/>) has regular services to the Island from UK and Cape Town.

Comments and suggestions are always welcome to improve the website. Please drop the [webmaster](#) a line.
